Mushroom and Kale Mac & Cheese

Yield: 8-10 servings, 9 x 13 casserole dish

Ingredients:

- 1 pound elbow pasta, cooked al dente (I prefer buckwheat, quinoa, or brown rice)
- 5 Tablespoons extra virgin olive oil, divided
- 1 lbs. cremini mushrooms, sliced
- 4 garlic cloves, minced
- 1 large bunch Tuscan kale, stems removed, chiffonade
- 12 cherry tomatoes, halved
- 3 cups Vegan béchamel sauce (see recipe)
- 3 Tablespoons white miso
- 2 teaspoons umeboshi paste
- 2 cups toasted breadcrumbs (I prefer gluten-free panko breadcrumbs)

For toasted breadcrumbs:

- 2 Tablespoons extra virgin olive oil
- 2 cups gluten-free panko breadcrumbs
- 2 Tablespoons parsley, chopped
- 1-2 garlic cloves, minced
- salt and pepper to taste

Directions:

- Heat 3 Tablespoons olive oil in sauté pan and sauté the mushrooms. Add garlic when mushrooms are caramelized. Add kale and cook until wilted. Toss in cherry tomatoes. Set aside.
- 2. Heat béchamel sauce (recipe below) and add miso and umeboshi paste. Stir until miso is dissolved. Season to taste with sea salt and fresh pepper.

- 3. Heat olive oil in a small sauté pan and add the panko breadcrumbs and sauté with salt, pepper, garlic and chopped parsley. Brown lightly.
- 4. Mix together the pasta and veggies with the béchamel sauce and transfer to a baking dish. Top the pasta with the toasted breadcrumbs and bake at 350 degrees until the breadcrumbs brown (6-8 minutes).
- 5. Serve garnished with chopped herbs (optional).
