Guilt-Free Hot Chocolate

When it’s cold outside and you want to warm up your insides, all you need is a guilt-free hot chocolate.

- 1/2 cup raw cashew nuts, soaked in water for 20 minutes
- 2 cups water (1 cup room temperature, 1 cup boiling)
- 4 dates, pitted
- 1 tablespoon raw cacao powder

Drain and rinse the cashews. Blend all the ingredients in a blender until smooth. Add the boiling water and pulse until combined. Drink it while it’s hot!
